DIRECTIONS

Izaak Walton Lodge – 29740 Blosser Rd. Logan, OH 43138

Lake Logan is about halfway between Columbus and Athens, off US Route 33 (less than one hour from Columbus). On the north side of Logan, take the exit for SR 664. Turn south/west onto SR 664 (toward Lake Logan). Keeping the lake on your right, go 1.4 miles to where 664 make a sharp left turn, and turn right onto Blosser Rd. Go 0.7 miles to Izaak Walton Lodge on the right. Park closely in the lot so all can fit.

LODGING

Free camping on site. There is running water and flush toilets, but no showers. Open fires are not allowed. For motels and cabins nearby visit: www.hockinghills.com.

WATER

Help reduce plastic waste: bring your own water bottle. And even though we will bring water to put in the big drinking water and lemonade jugs, it would be great if dancer each brought a gallon or two for themselves, especially to keep at their campsite. The local water is very rustic.

MAKE IT A WEEKEND GETAWAY

The Hocking Hills has many beautiful sites at the Hocking Hills State Park and Lake Logan State Park. Plus new attractions like zip lining, canoeing and horseback riding. Visit www.hockinghills.com for details.

SCHOLARSHIPS

A limited number of working scholarships are available, please contact Jan Philips at jan-allsolesdance@att.net.
